people come into our lives for a reason
bringing something we must learn
we are led to those who help us most to grow
& we help them in return
i don't know if i believe that's true
but i know i'm who i am today
because i knew you

as bad bad as life seems, you wouldn't have mountains without valleys. You may be suffering, but you'll be able to truly appreciate the good that happens.

You are strong. You are hopeful. You will make it.

You are talented.

You are smart.

You are beautiful.

You are loved.

You have the potential to fulfill your dreams if you pursue them.

You dare disagree I will slap you with a wall of positive messages in all-caps.
